

Dear Parents and Guardians,

I'm Lynsey Larsen the Music teacher here at Caledonia Park School. This is my first year here and I am so excited to be your child's music teacher. Music is a huge part of my life and something I'm very passionate about. I'm hoping to be able to share my joy of music with your child.

This year the students will have the opportunity to learn about different genres of music, theory, and practical application through singing, movement and playing instruments. I believe it is important that popular music is included in your child's education to have a fresh new way of learning about music; however it is also important to look back at music in the past as it has provided the foundation for music today.

The last music class of each month will be Music Share Days. This is an opportunity for any students taking music lessons outside school to share what they've been learning with their classmates. It also is an opportunity for your child to learn a song and perform it in a small, comfortable setting in front of friends and peers.

Besides music I have a love for soccer and skiing both of which I have been doing for over 20 years. I'm looking forward to assistant coaching the soccer team this year with Ms. Coffey.

This summer I had the opportunity to travel to Iceland with my Sister and Mother. In the 10 days we were there we went on so many adventures including hiking, whale watching, and driving around the whole country. Once back from Iceland my summer was spent mostly at home hanging out with my husband and our puppy.

I look forward to the year ahead and to getting to know your child. If you have any questions feel free to email me at [lynsey.larsen@blackgold.ca](mailto:lynsey.larsen@blackgold.ca) or calling the school 780-986-7888.

Sincerely,  
Mrs. Lynsey Larsen
