Welcome to the 2017/2018 school year! My name is Craig Brunton and this will be my fourth year teaching at Caledonia Park and I am so excited to get this new year started. This year I am teaching Math 7 and 9, and Science 8, as well as coaching the Junior High Basketball and Golf Teams.

My educational background is in Secondary education with a major in Biology and a minor in Physical Education.

Outside of teaching, I have many interests. I play and coach numerous sports including soccer, basketball, football and golf. I also love hitting the ski hill once the snow starts to fly.

I have a strong desire to see every student succeed. I am happy to provide extra guidance or material to ensure each student feels confident with the concepts studied in class. Students are welcome to come to my classroom before school, during lunch hour, or after school to receive extra help. Parents, please be active in your child's learning and encourage them to seek help when needed.

Sincerely,

Mr. Craig Brunton
