

# MEET THE TEACHER

Hi! My name is Kylie Cartwright and I am going to be your third grade homeroom teacher. This will be my fifth year as a teacher, and my second year teaching grade three. The previous three years, I taught grade six and grade five. I love third grade! Together we will learn to become even better writers, rock star readers, math masterminds and travel across the world, in the classroom of course, in social studies. Ms. Larsen will be your music teacher, and I will teach you all the other subjects.

I have a degree in education and a minor in special needs. I love all types of students and I look forward to helping each one of you learn more this school year.

I grew up in the small community of Busby, outside of the town of Westlock. I enjoy going home often to visit my family. My parents and I like to have a cup of coffee and visit for hours.

Over the summer I travelled throughout British Columbia for one week. I went to the city of Vancouver and the island of Victoria. I was lucky to visit with friends and have some fun adventures.

**I can't wait to spend  
the next year  
learning and growing  
with you!**
