Dear students, parents, and guardians,

Welcome to the brand new school year. My name is Ms. Coffey, and this is my fourth year teaching at Caledonia. I have a Secondary Education degree in English and art, and am currently in my second year of the Masters of Leadership program through the University of Portland. I am currently teaching grades 7-9 language arts and art, and I look forward to an exciting, busy year!

I believe that every student has the potential to succeed, and that it is my job to give them the tools that allow them to do so. Thinking critically, learning independence, and developing grit are all tools that I encourage and strive for in each of my students. My goal is to work together with parents, fellow teachers, and administration to foster growth and development in each of my students.

Please utilize the collective, junior high homework blog this year: <https://cpsjuniorhigh.wordpress.com/>. This is a space that allows students and parents to remain on top of work that needs to be done in the classroom.

If any questions or concerns come up throughout the year, please contact me via email, or 780-986-7888.

Thank you, and I look forward to working together with you to see you child succeed.

Sincerely,

Ms. Coffey
