

September 3, 2017

Hello everyone!

My name is Nicole Scott and I'll be teaching grade two this year at Caledonia Park School! This is my second year teaching at Caledonia Park but my eighth of being an educator. I am thrilled to be in a grade two classroom this year!! This was actually the age I was when I decided I wanted to BE a teacher! I know how valuable having a positive role model is at this age and I really strive every day to be one!

Some of you do know me, as I may have taught your child last year, but just to give a little background into my life I moved to Alberta 7 years ago. I am from BC originally. When my husband, Craig, and I get a chance, I do enjoy going back to BC to visit family and friends. I have two young children: Lorene and Asher. Together as a family we enjoy camping and boating. Hopefully as our kids get older Craig and I can bring them along on more of our former hobbies like snowmobiling, skiing and quadding. When I get free time I do enjoy baking and traveling.

I truly look forward to the year ahead and building on what we learned in grade one!
