

Welcome to the 2017/18 School Year!

This Year I will be teaching both sections of Social Studies 9, and Social Studies 7-3. As well I will also be teaching Physical and Health education to all the junior high boys.

I will be coaching the senior girls' volleyball team as well as the cross country running team, and the badminton team.

Along with coaching I will also be coordinating the grade 9 camping trip to Jasper as well as the overnight ski trip to Marmot Basin.

I look forward to having a successful year with all students and parents.
