

CALEDONIA PARK

Students of Today; Leaders of Tomorrow

A Message from the School cps.blackgold.ca **October 2017**

As of September 30th, student enrolment is 592 students. With the unexpected increase in our student population, we will be hiring additional staff in the coming weeks.

Parents if you are interested in joining Parent Council, the more the merrier. Our council is organized and run by a wonderful group of supportive parents that are always looking for additional members. **Parent Council does provide MANY extras** for the student population at Caledonia Park School (hot lunch programs, equipment, field trips, theme days, etc.). Our **Parent Council Annual General** meeting will be held on **October 12, 2014 at 7:00 pm**. Please come out and join us.

Please ensure your son/daughter is dressed for the weather. In the event we do experience extreme inclement weather, the school has a cold weather policy (-20C) and the students will then remain inside for the recesses on those days. As well, please label your child's outdoor clothing so that it can be easily identified in the event that it is lost or misplaced.

Caledonia Park School has in the past enlisted the services of drug detection dogs to help ensure we are providing the best 'Safe and Caring' environment possible. These dogs are only utilized in the Junior High setting and to date have never found any illicit narcotics in our school. If you have any questions or concerns regarding the use of the dogs, please contact me directly.

W. Fisher
Principal
