Note from Teacher:

- Students are responsible for supplying their own supplies in class as per the above list.
- Further supplies may be requested by your child's teacher throughout the year.
- It is very helpful when all or at least half of your child's fees are paid at the beginning of the year, as we are then able to purchase extra supplies, craft materials, resources and book field trips.
- **Please LABEL all your child's personal belongings.**

Thank- you kindly.
