August 31, 2017

Dear Parent/Guardian:

My name is Sharon Pauls and I am extremely excited to be teaching your child this year. This is my sixth year at Caledonia Park School, and I am looking forward to the many adventures and lasting memories that this school year will bring. I will be teaching a variety of courses this year including Junior High Home Economics and Social Studies. Each course will take an interactive approach, providing students the opportunity to experience, investigate and think critically about concepts being taught. I believe in making the curriculum relevant for students, and I will do my best to help students make connections between what they are learning and their daily lives by using a variety of teaching methods. In all of these classes, I look forward to getting to know your child and helping him/her reach their full potential.

I strongly desire to see every student succeed. I am happy to provide extra guidance or material to ensure each student feels confident with the concepts studied in class. Students are welcome to come to my classroom before school, during lunch hour, or after school to receive extra help. Parents, please be active in your child's learning and encourage them to seek help when needed.

If you have any questions or concerns about your child's progress in any of my classes, please feel free to call me at (780) 986-7888 or email me at sharon.pauls@gshare.blackgold.ca and I will respond as soon as possible. All school newsletters will be uploaded to our school website and can be viewed at: www.cps.blackgold.ca.

I am looking forward to making this school year an exciting and memorable experience for your child. Please come talk to me during "Meet The Teacher Night" on Wednesday, September 13th at 5:30pm as I would enjoy the opportunity to meet the parents of those I am teaching.

Sincerely,

Ms. Pauls
