### **Trustees Report:**

- Angie Charpentier is joining us today
- Any questions for the Trustee?

### **Principals Report/Teachers (Donavin):**

### **Welcome/Introduction for any new faces:**

- What and who is the council?
- Refer to sheet printed from the ASCA Website, discuss.

### **Chair Report (Andrea)(ASCA Updates, BGSD Updates & New Business):**

- Virtual Engagement Opportunity Nov 22nd (because it'll be attended AFTER the agenda is made, I will update at a later date)
- Setting the rest of the years meetings (or at least a schedule of every second Monday of the month as an example)
- Reached out to Devona Klaassen as she is the ASCA Vice Chair to see if she would be willing to join a meeting to paint a better picture of Council and Association separation (update TBA)
- Website needs to be a bit more clear on the separation as well. We really just need one name and contact for each piece. Utilizing the website MORE for things like meeting minutes, handbooks, policies and bylaws. As well as a spot for hot dog days, fundraisers, bakesale, popcorn, and hot lunch.
- Grant funds - proposing to use \$315 dollars on a School Council Purpose workshop run by the ASCA. It is foundational learning for a School Council, they suggest at least 5 people attend, options at this point are 28th of Jan or May 4th.
- Suggestions on the rest of the funds (because if you don't use it, you lose it) are print outs on fancy attractive cardstock on what the Council does/who we

are(could get a quote from Ashly at BestCopy), and potentially a literacy/numeracy night that Donavin had mentioned

- December 10th the council is supporting the staff by running an Elf operation - we are turning a space into a workshop and wrapping presents! (Looking for 6-10 volunteers, we may create a google doc sign up to simplify things)
- Parent/Teacher interview night: Council will have a booth with a poster board that says this is the council, this is who we are and this is what we do on one side and then on the other we will do the same for the association. Approval pending: I'd like to gain engagement with the traffic by getting them to participate in a Name our Newsletter voting booth. 3-4 name ideas, they pick one, in the New Year it gets announced when the newsletter gets sent out. I will also have a permission to contact guardians directly for parents to fill out; that will be for council news only
