

*Dear Parents & Guardians,*

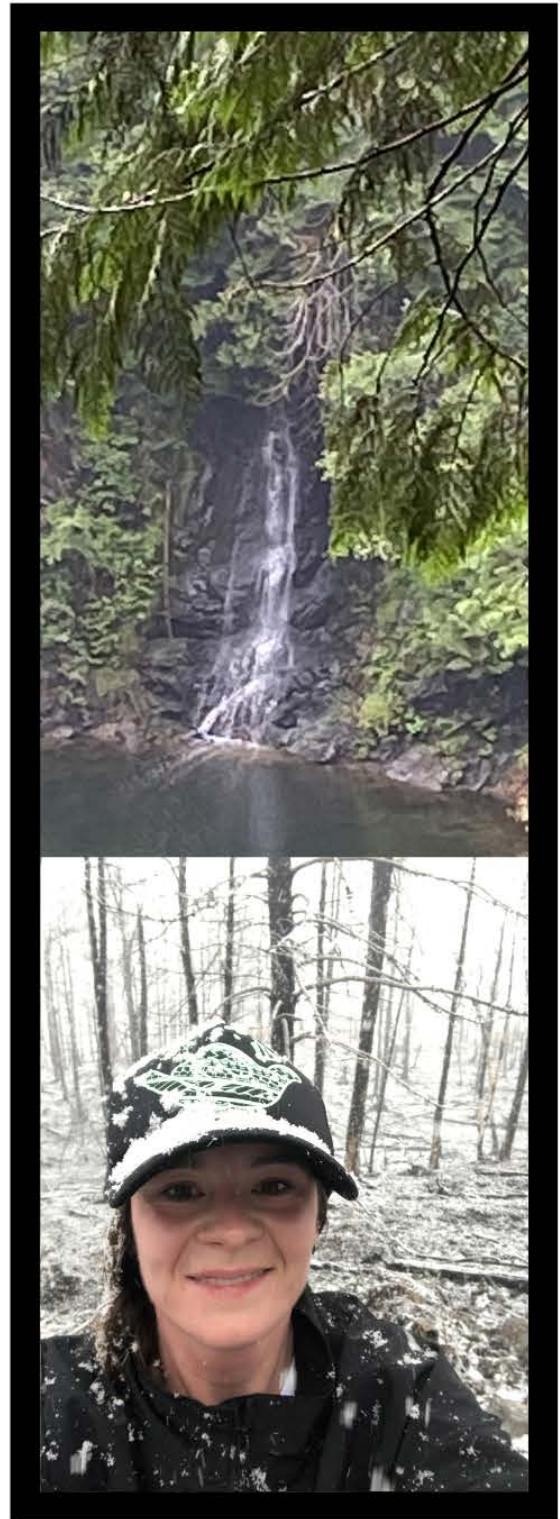

I'm excited to be teaching at Caledonia Park this year. I'll be covering Social Studies, Language Arts and Foods with the Grade 7's. I'm very passionate about these subjects and look forward to teaching your children.

A bit about me: I grew up in southern Alberta, earned my Education degree with a major in Human Ecology and a minor in English, and completed my Master's in Educational Leadership at the University of Alberta. With over 15 years of teaching experience in Home Economics, English, and Social Studies, I'm also passionate about inclusive education. My research focused on reading disabilities in junior high, and I'm eager to apply this knowledge to create an inclusive learning environment.

Outside of teaching, I love staying active, enjoying the outdoors, animals, cooking, reading, and spending time with my family. Looking forward to a great year ahead!

Best,

Jen Wannop

*"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."*
