Welcome to Grade Seven!

I have been teaching at Caledonia for a few years (so many I've actually stopped counting). Although I've spent most of my career working with elementary aged students, this year I am looking forward to my second year in the world of grade seven!

Outside of school, most of my time is dedicated to my two boys, aged seven and nine. In my free time I enjoy playing pickleball and seeking out new coffee shops.

My Favorites:

Color: Navy Blue

Foods: Butter Chicken

Season: Summer

Drink: Coffee

Sports: Pickleball, Golf, & Curling

TV show: Ted Lasso & Friends

Video Game: Tetris

Hobbies: Plants & Puzzles
