

Meet the teacher!

About me

Welcome to grade 3! My name is Mrs. Tilleman. I have been teaching for 26 years, most of those in third grade. I am so excited to teach my students so many exciting things, and I am equally excited for the things my students will teach me!

My favorites

I love being home on the farm. I am a farm girl and love spending time with my husband, daughter, son and plethora of our animals both big and small! Our family loves to travel and we love to learn about different people and places.
