

## About Me

One of my favourite things about teaching is getting to be silly and creative. I like my classroom to be a happy and safe place.

Out of school, I spend my time with my family and friends. I started drawing and painting more. I am learning to use various mediums and trying to find a style I like the most!

## Favorite Things

**Colour** - Olive Green

**Food** - Brownies

**Drink** - Coffee

**Hobby** - Painting and reading

**Candy** - Rockets and Mars Bar

**Holiday** - Christmas

**Other Loves** - Disney, baking, cats!

## Education

I have been teaching for 13 years! I have my M.Ed where I focused on supporting student mental health and creating fair and just schools and communities.
