CALEDONIA PARK SCHOOL

Monthly newsletter for CPS Vikings Families

PRINCIPAL'S MESSAGE TO PARENTS

Mr. Simmons - donavin.simmons@gshare.blackgold.ca

Welcome back, Caledonia Park School families, and Happy New Year! I hope everyone had a restful and joyful holiday season filled with time to reconnect, recharge, and enjoy moments together.

As we return to school, it's encouraging to feel the momentum building once again. Since the strike, our students and staff have worked hard to re-establish routines, refocus on learning, and regain our rhythm, and it's been wonderful to see that sense of energy and purpose growing throughout the building.

January always brings with it a sense of fresh beginnings, and as we look ahead to 2026, we do so with optimism and excitement. We have several new initiatives on the horizon that will support student learning, well-being, and engagement, and we are intentionally working toward making Caledonia Park School a leader within our school division. This work is grounded in strong relationships, thoughtful planning, and a shared commitment to doing what is best for our students.

Thank you for your continued support, trust, and partnership. We are grateful to welcome everyone back and look forward to a positive and productive start to the year together.

Warm regards,
Donavin Simmons
Principal, Caledonia Park School

WINTER WEATHER

2025/2026

Winter has officially arrived!

Dear Caledonia Park Parents and Guardians.

As the forecast shifts and we begin to see consistently colder temperatures, we want to send out a friendly but important reminder about proper winter attire.

To ensure all students can safely enjoy their time outdoors, which is crucial for their well-being and focus, we ask for your help in preparing them daily.

Indoor recesses will obviously be called when necessary (when the temperature and conditions are deemed unsafe), but being prepared to go out should always be the default.

THE ESSENTIAL CHECKLIST

Please ensure your child comes to school each day with the following items:

- Warm Winter Jacket: Fully zipped up for the cold.
- Snow Pants: Essential for playing in the snow and staying dry.
- Hat: Critical for retaining body heat.
- Gloves or Mittens: A warm, waterproof pair is best.
- Warm, Waterproof Boots: To keep feet dry and comfortable.

Library Reminder

As winter officially arrives, we remind families to use the provided plastic library bag when returning students' library books. This helps prevent water damage from wet mittens and toques."

MISSION Canadian Wheelchair Foundation /
Fondation Chaise Roulante Canada is a
Canadian registered charity dedicated to:

- raising awareness of the needs and abilities of people with physical disabilities.
- delivering mobility into the lives of those who have no means to acquire a wheelchair.
- transforming lives through Mobility, and with it giving Freedom, Dignity and Hope.

*freedom

MOBILITY Mobility creates independence and new opportunity for recipients and their families. A mobile child is able to attend school. A mobile adult is able to get a job and provide for their family. An elderly person with mobility can rejoin society or family activities after years of staying in bed. We estimate that each wheelchair we deliver impacts the lives of 10 people in a lasting positive way.

REPORTING A STUDENT ABSENCE

SAFE ARRIVAL

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

- **On your mobile device:**
- Using your mobile device, download and install the **SchoolMessenger Home** app from the [Apple App Store](#) or the [Google Play Store](#). Download the app with the following icon:
- The first time you use the app, select **Sign Up** to create your account.
- Select **Attendance** then **Report an Absence**.
- **Use the SchoolMessenger website:**
- Go to the [SchoolMessenger website](#). The first time you use the website, select **Sign Up** to create your account.
- Select **Attendance** then **Report an Absence**.
- **By telephone:**
- Call the toll-free number **780-955-4526** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.

The automated notification system will attempt to contact parents at multiple contact points (email, text, push notification & phone call) until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the **SafeArrival** toll-free number, website or mobile app, you will NOT receive these notifications.

Please download the SchoolMessenger Home app or sign into the website before this date. If you are having trouble logging in, please contact your school.

If you do not already receive text message from your school and would like to start, please ensure your school has your mobile phone number and then text "Y" to 978338. (Standard message and data rates may apply.)

You may also contact the school and leave a detailed message after hours (780-986-7888)

Good attendance patterns are an important factor in a student's overall success at school.

Did you know? Key facts about school attendance:

- If your child is 20 minutes late every day, he/she/they will have missed 12 days of instruction by the end of the school year.
- If your child misses only two days of school per month, he/she/they will have missed one month's worth of instruction by the end of the school year.
- Students who are absent 15 days of school each year will have lost one year of instruction by the end of Grade 12.
- Students who attend school regularly tend to be more engaged in their learning, feel more connected to the school and have better academic outcomes than students who miss a lot of school.

Families can support good attendance at school by:

- setting a regular bedtime and morning routine;
- getting clothes and backpacks ready the night before;
- encouraging a positive attitude about school;
- communicating regularly with your child's teacher;
- talking with your child about his/her school day;
- taking part in school events and activities to show your child that you value school and education;
- planning vacations and appointments around the school schedule whenever possible; and
- making sure your child goes to school unless he/she/they is truly sick.

We can help!

Let your school know right away if there is a problem or concern. There are many ways we can work together to get attendance back on track or prevent an attendance problem from starting.
