Old Business Items (Chair):

Motions passed and approved via chat, these were added to the previous months minutes. This included treats for 3 classrooms for the Owie project and teacher/staff appreciation spending budget/events of \$600. When Money is needed to be spent and not already in the approved budget, a vote must be taken prior to spending.

Staff loved the 3 events that were put on for them and it was really nice to hear them telling new teachers how fantastic it was and we are the best PA out of all the schools they work at.

New business Items (Chair):

Request for current exec and key position holders to state their intent for next school year.

Reflection upon this year, would we like to change anything? What worked well, what didn't work? Suggestions for change, any capital purchases requests?

Plan to send out a newsletter in Sept from PA like this year.

Use of agendas by teachers

Budget for 2026/27 school year. Kelly met with Donavan to review this school year and see if school had any requests for PA.

Adjustment of classroom budget as more classes and some teachers not using their allowance.

Grade 7 teachers enjoying their classroom budgets.

Roles and responsibilities of roles with the PA and in school.

Treasurer's Report (Hannah):

Playground Update (Kelly):

The playground has been paid for in full. A total of \$271,700. Completion date Aug 2026, grand opening Sept 2026. Ideas welcomed for the grand opening event. All students are excited to enjoy the new playground. KP contacted all company donors to request high res logos for the bin wraps.

Bake sale and Popcorn Update (Kyla and Terri):

May 20 Popcorn day - sold 330 bags, numbers have been consistent throughout the year. Profit this popcorn day was \$155. We have enough inventory for the first four or five popcorn days for the next school year.

Fundraising Update (Erin):

The casino went well. We did use 2 people from outside our school community to fill positions. Profits will be known sometime in July

Next Casino 2nd quarter 2030!! Likely to be in EDM, with much longer days, 16 volunteers per day, and closer to \$75k in profit!

OWIE PROJECT: APPROX 360 boxes of Band-Aids collected. Elias, his Mom, Donavin and a bunch of kiddos took a picture for the rep! The family is extremely grateful. Something so small to us makes a huge impact on them and the Stollery kiddos!

Classroom winners were Dowler, Milner & Tilleman

Library Update (Kale):
