OUT OF SCHOOL CARE

AVAILABLE FOR 2026-27

Caledonia Park School is pleased to share that we have partnered with Leduc Learners Childcare Centre to provide out-of-school care.

We anticipate this partnership may benefit families by providing an option for care before and after school, on professional development days, during school breaks, and for kindergarten students during the daytime when classes aren't running.

Your child will enjoy the same trusted and comfortable learning environment for regular school days and when participating in childcare programming.

If you are interested in more information, or want to register your child, please contact Leduc Learners Childcare at leduclearners@gmail.com. For more info: <https://www.blackgold.ca/out-of-school-care-program>
