about me

Hello and welcome to my grade two class! I have been teaching at Caledonia Park for twelve years! I live with my family in Sherwood Park. We like to read, watch movies, go to the lake, bike ride, and take our dogs for walks! My favorite things about grade two are our class library and theme days. I am looking forward to a great year with my new students! All of my classroom information can be found on my google classroom which will be shared with the families of my students during the first week of class.

my favorites
