

Caught You Being **Kind!**

2021-2022

Caledonia Park School is full of **KIND** people!

Every day, Vikings share kindness with others by:

- showing appreciation and gratitude
- giving others encouragement
- listening
- giving someone a compliment
- trying to understand others' perspectives

We challenge all Vikings to spread **kindness** every day!

- At the end of each month, we will recognize students who have been nominated for their acts of kindness!
- There will be two prize draws (February & June) - nominees will be entered in these draws for a chance to win a prize!

How do **nominations** work?

Throughout each month:

- **classes** can nominate **up to 2** students for their kindness (students nominate; teacher reviews and submits up to 2 nominations).
 - Each **staff member** in the school can nominate 1 student each month.
- 

Now let's get out
there and sprinkle
on some **KINDNESS!**
