

Mrs. Kimberly Engler

My name is Kim Engler and this is my first year at Caledonia Park School. I am so excited to be joining you as an Assistant Principal and also teaching Grade 1. I have been teaching with Black Gold School Division for a very long time and was most recently at Thorsby Junior Senior High School.

Outside of school, my husband and I live in Sherwood Park with Owen and Olivia, our 2 awesome kids; Emilie and Sophie, our 2 westie dogs and a cockatiel named Dorian. This summer I traveled to Prince Edward Island and then relaxed at my house; hanging out with my family, growing fruit and veggies in our gardens and greenhouses and reading books. I'm looking forward to a fun and amazing school year!

I am looking forward to working with all of you to make an amazing 2022-2023 school year!
