

LET'S GO ON A READING ADVENTURE

Bonnie Wurban - School Librarian

I have worked at
Caledonia Park School
for the past 20 years

Our library offers
paperback and
hardcover books, as
well as ebooks and
audio books for
checkouts.

In my spare time you
can find me reading
my favorite genre -
psychological thrillers
and historical fiction

I look forward to taking
the students of
Caledonia on great
reading adventures

Exciting events in the
library this year include
Scholastic In-School Book
Fair and the Travelling
Alberta Art Gallery works
of art.
