

Meet the Teacher

Welcome to Sixth Grade!

My name is Ms. Keil (pronounced “Kyle”) and I can not wait to experience grade 6 alongside you this year! We will have so much fun and do a lot of learning and growing.

When I’m not in the classroom, I can often be found reading, playing with my cat Skye, spending time with friends or my fiance Shane, watching movies or travelling!

Contact Me!

The very best way to reach me, if it is not urgent, is via email. I will reply to emails by the end of the next school day.

If you have an urgent message, please phone the office and they will connect the call to me. Thank you :)
