

# Mrs. Larsen

## Hello!

I hope everyone had a wonderful summer. For me, it was a great break to recharge and spend time with family and friends. I spent all of July hiking, biking, swimming, and adventuring in BC with our family. August was spent at home exploring around the city and doing different activities.

## Music Share Day

is the last music class of the month. This is an opportunity for any students taking music lessons outside school to share what they've been learning, with their classmates. It also is an opportunity for any student to learn a song and perform it in a small, safe setting in front of friends and peers. It is completely optional but should your child wish to perform I ask that they practice before the performance day. If you have any questions feel free to send me an email.

## These are a few of my favourite things

- My Husband
- My Son
- Nova (our dog)
- Family/Friends
- Music
- Soccer
- Skiing
- Travelling
- Reading
- Movies
- Starbucks
- Theatre
