August 28, 2023

We must have blinked, it is time for the 2023/2024 school year! I'm Melissa Ellsworth, and I have the pleasure of guiding you through all things fun and educational!

Let me give you the scoop about me - I'm from Fort St. John, BC. University life led me to the land of Alberta, where I chased my dreams of becoming a pediatrician. Somewhere along my journey, those plans changed and I ended up falling in love with teaching. When I am not moulding young minds, you can find me on my acreage packed with miniature critters, my husband, and our two tiny humans, Oaklyn and Brynen. Fun is my middle name, but what do I do for fun? Sports - I love to play baseball, volleyball, soccer, hockey, anything but golf! My family enjoys all outdoor activities, camping, boating, and hanging out at the beach.

As we get back into the swing of things here at Caledonia Park School, I am super excited to guide the 7-2's and 7-3's on a mathematics journey and the 8-2's and 9-3's on a scientific adventure they will never forget. My goal is to create an environment of teamwork, collaboration, hands-on activities, and most importantly - fun! It is important that students bring their positive attitude along for the ride, or it can get awfully bumpy.

If you have any questions or concerns about your student's progress, please feel free to call me at the school at (780) 986-7888 or email me at melissa.ellsworth@blackgold.ca. For the inside scoop, access our newsletters at www.cps.blackgold.ca. Don't forget to download the PowerSchool and Google Classroom Apps on your phone - these apps will give you the inside information on our academic journey.

Can't wait to see you all soon,
Mrs. Melissa Ellsworth
