## VICE PRINCIPAL'S MESSAGE TO PARENTS

Mrs. Engler - [kim.engler@blackgold.ca](mailto:kim.engler@blackgold.ca)

Hello Caledonia Park Families!

I hope that you are enjoying a wonderful March break; whether you stayed home, vacationed out of town, sought out adventure, or relaxed. We are now two-thirds of the way through this school year! From now until the end of June will feel like it goes by in a blink.

March has been another busy month here at Caledonia Park School. School-wide, students were completing projects and assignments so that report cards could be shared with you. Our Grade 9 students have had exciting events, with visits to Leduc Composite High School for tours, info sessions about course selection, and registration for their grade 10 courses. This year, due to the reconfiguration, our current classes of grade 7s and 8s will be invited to an orientation evening at LCHS on the evening of April 17th (more information on that will be provided by LHCS). Our month ended with an evening of parent-teacher interviews. Thank you to all of the teachers for their hard work and the parents and guardians who were able to come to talk to their child's teacher and to those who attended student-led conferences. We will be celebrating all of their academic accomplishments with an Academic Awards Assembly after we return from the break.

Our floor hockey season is wrapping up, grade 3s and 4s have now both had their tournaments. Our grade 3/4 boys won a bronze medal in the Caledonia Cup, hosted here at the school after very competitive semi-final and final games. In April the grade 5s and 6s will be competing in their own tournaments. Our grade 5 classes were able to attend Aladdin JR. at the Maclab Centre for the Performing Arts and had a marvelous time! Our junior high school students have been practicing their badminton skills, preparing for the Badminton tournaments that are fast approaching.

We have been so fortunate to have had a mild and temperate winter! (Excluding the couple of weeks when it suddenly dropped to -40 °C!) Finally, when we thought that spring had officially sprung and that all of the winter weather was behind us, one last snowstorm crept up. The silver lining of this white stuff is that all of the elementary children actually had snow for Winter Fun Day right before spring break started. The rubber boots and raincoats will have to wait until April showers bring May flowers.

Until next time, enjoy the break and fingers crossed that we see the sunshine!

## What is Caught You Being Kind?

This year, Caledonia Park School is continuing to focus on supporting our students' social and emotional development through our **Social and Emotional Learning (SEL)** program.

Each month, school staff and students nominate members of our school community who we see sharing their social and emotional skills with others. The nominees in Divisions One and Two are celebrated monthly. Division Three nominees will be celebrated at the end of each term.

In January and June, Caledonia Park School will celebrate all nominees with a random prize draw!

# We're participating in Jump Rope for Heart

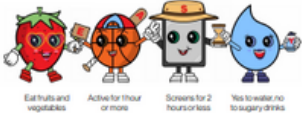

Dear Parents/Guardians,

Our school is excited to participate in Jump Rope for Heart this year! Students will discover fun ways to get active, practice healthy habits and learn about helping others while raising money to beat heart disease and stroke.

### We love participating in Jump Rope for Heart because:

#### Students learn life-long habits:

Jump Rope for Heart is more than a fundraiser. It teaches students EASY Healthy Habits to help protect their heart and brain health – for a lifetime!

#### Students can earn Thank You Gift Cards:

As our heartfelt thank you for your support, students can earn one of five Thank You Gift Cards, plus a chance to win two great contests! Gift cards are from Toys "R" Us, Indigo, Amazon or Walmart – based on the fundraising levels. Learn more at [jumpropeforheart.ca](http://jumpropeforheart.ca).

#### Jump is customizable for all abilities:

On our Jump Event Day kids can move their way by jumping, dancing, wheeling and more!

#### Kids feel good by doing good:

Students learn the importance of giving back as they collect donations that help fund critical research that saves lives, prevents heart disease and stroke, and supports survivors and their families. The funds collected help other kids like Julian, who suffered a pediatric stroke following his heart surgery.

#### Jump gives back:

Schools that raise a minimum of \$500 will receive 8% of their fundraising dollars back to put towards what we need most or we can donate it back to Heart & Stroke to make an even bigger impact.

# Absence Reporting

## GOOD ATTENDANCE PATTERNS ARE AN IMPORTANT FACTOR IN A STUDENT'S OVERALL SUCCESS AT SCHOOL.

### Report your child absent!!

- Call the school. *Please leave a detailed message after hours*
- Email the office - [cps.studentabsence@blackgold.ca](mailto:cps.studentabsence@blackgold.ca) and advise the reason for absence (ie: Sick, appointment, vacation, etc...)

### Did you know? Key facts about school attendance:

- If your child is 20 minutes late every day, he/she/they will have missed 12 days of instruction by the end of the school year.
- If your child misses only two days of school per month, he/she/they will have missed one month's worth of instruction by the end of the school year.
- Students who are absent 15 days of school each year will have lost one year of instruction by the end of Grade 12.
- Students who attend school regularly tend to be more engaged in their learning, feel more connected to the school and have better academic outcomes than students who miss a lot of school.

### Families can support good attendance at school by:

- setting a regular bedtime and morning routine;
- getting clothes and backpacks ready the night before;
- encouraging a positive attitude about school;
- communicating regularly with your child's teacher;
- talking with your child about his/her school day;
- taking part in school events and activities to show your child that you value school and education;
- planning vacations and appointments around the school schedule whenever possible; and
- making sure your child goes to school unless he/she/they is truly sick.

### We can help!!

Let your school know right away if there is a problem or concern. There are many ways we can work together to get attendance back on track or prevent an attendance problem from starting.
