

MEET THE TEACHER!

WELCOME TO 4th/5th GRADE

Hello! I would love to take this opportunity to welcome you and your child to our grade 4/5 split class.. I'm Mrs. Koopmans, and this is my first year teaching at Caledonia Park School. My husband and I live in Leduc with our two daughters who are 18 & 14, along with our shih tzu, Clover. My previous experience of junior high school has me very excited for the fun and wonder of elementary school.

MY CHILDHOOD

Throughout my childhood, I was involved in various sports and activities including soccer, gymnastics, softball, downhill skiing, volleyball and basketball. Growing up in Leduc, I spent my childhood and adolescence at the outdoor pool and the "Blackgold Center", which is now known as the LRC. These days, my activities include water skiing and CrossFit.
