

Meet Your Teacher

Mrs. Kennedy Ramirez

Welcome back to school! I hope you are excited to start a new school year. I've been teaching at Caledonia for 13 years and have taught grade 3, 4, and elementary music.

I've been teaching grade 2 for the last 7 years. I have three kids Judah who is 7, Taya who is 4, and Joaquin who is 2. I'm excited to get to know each and everyone of you this coming year!

In my free time, when I'm not teaching or driving my kids around place to place (soccer or dance usually), I love to sing, play piano, bake, and crochet!
