

Mrs. Larsen

Hello!

I hope everyone had a wonderful summer. For me, it was a great break to recharge and spend time with family and friends. I spent most of the summer recovering from knee surgery but thankfully I was in BC with our family.

Music Share Day

This will happen a few times through the year. This is an opportunity for any students taking music lessons outside school to share what they've been learning, with their classmates. It also is an opportunity for any student to learn a song and perform it in a small, safe setting in front of friends and peers. It is completely optional but should your child wish to perform your child needs to practice and connect with me prior to performance day to make sure they're ready to perform. Please reach out if you have any questions.

These are a few of my favourite things

- My Husband
- My Son
- Nova (our dog)
- Family/Friends
- Music
- Reading
- Travelling
- Movies
- Starbucks
- Theatre
- Skiing
- Soccer
