

Meet Your Teacher

Hello and Welcome!

Hey everyone! Welcome to Mr. May's page!
A few changes from last year... as I now teach

I will do my best to help everyone in my care

expect anyone who shows up in my classroom to
be on their best behaviour and try their best on
each assignment, whether it is easy or hard for
them.

ABOUT ME

I am old and broken, but still try to stay active
and play sports or games whenever possible. I
am married with two grown daughters, one a
teacher and the other and pediatric sych nurse.

Many dogs fill our home and our time, which is
often spent at the lake playing 'target' games
or swimming off the boat.
